## Abstract

dis is da best of reserch peppers, i tots disproved einstin  
watch me show off my vocab!

## 1 Preliminaries

you're supposed to know this, but you don't, so i'm telling you

## 2 Failed Approaches

we drank a lotta ~~coffee~~ hot chocolate

## 3 Final System

midnight semi-working idea (keyboard bashing or genius? no one will ever know...)

## 4 Encoding Results

~~we~~ random student did something in the lab

## 5 Discussion

my way is the bestest and we will be doing all the things with this ~~plug~~ for funding ~~here~~

## 6 Bibliography

all the little people that may or may not have helped me ~~another plug~~ for funding

## **7 Acknowledgements**

thanks people who really did the whole thing! our grant was great too (it wasn't)!
